## Welcome to Bugsy's World

JANUARY 2015

Hello Super Savers.

I have lots of fun things for everyone in this edition of Bugsy's World.

Summertime is all about fun! But with the fun, there are also lots of opportunities for accidents to happen. So read up on our tips on how to stay sun safe this summer.

I love receiving your bug-tastic colouring in entries so thought I'd include another colouring in competition! If you send in your completed coloured in picture you could **WIN a \$10 iTunes voucher\***. Only the two best entries received will win, so get those coloured pens and pencils ready!

Remember, if you have any questions or would like to see something special in Bugsy's World, you can email me at **bugsy@adcu.com.au**.

Love, Bugsy.

### Try answering these...

1. Railroad crossing without any cars.  
Can you spell that without any R's?
2. What building has the most stories?
3. I'm light as a feather, yet the strongest man can't hold me for more than 5 minutes. What am I?

## Colour Me Happy!

Post your completed entry to: Level 18, 45 Clarence St Sydney, NSW 2000 or email **bugsy@adcu.com.au** for the chance to **WIN a \$10 iTunes voucher!**

## 5 Sun Smart Tips:

- 1 **Play in the shade:** Staying in the shade is one of the most effective ways to avoid nasty sunburn. Don't forget to wear sunscreen too.
- 2 **Always swim in a rashie:** Try and make it a habit to put on a rashie every time you put on your swimmers!
- 3 **Broad-brimmed hats rule:** Broad-brimmed hats are best at protecting your face and neck.
- 4 **Sunglasses are cool:** Go with Mum or Dad and pick out some cool and stylish sunnies to show off to all your friends!
- 5 **Develop a sunscreen habit:** Slip, Slop, Slap! Apply lots when you go outdoors and play with your friends.

## LOOKING FOR A GAME TO PLAY WITH FRIENDS AND FAMILY?

### Shadow Tag

All you need are 4 players (or more) and a sunny day.

**How to play:** On a bright sunny day, head to a playground or field where you can see your shadow. Choose one player to be "It." He or she has to try and tag the other players by stepping on their shadows on the ground. When a player's shadow is tagged, he or she becomes "It." Repeat until you've had enough!

## FUN FACT!

Did you know that M&Ms were created in 1941 as a means for American soldiers to enjoy chocolate without it melting?
