## Supplementary Product Disclosure Statement

**Issued on 19 February 2018**

This Supplementary Product Disclosure Statement (SPDS) is to be read in conjunction with the Product Disclosure Statement that was issued on 14 February 2018 for the Capital Guaranteed Super and Pension accounts.

### **Purpose of this document**

The purpose of this document is to amend the Product Disclosure Statement in regards to the terms that are offered for the fixed rate investments within the Superannuation products. Previously we offered only 12 and 24 months, however we have now introduced a new term of 36 months. This provides more options for our members who are looking to invest for a longer period with greater certainty.
