Important information

About this document

This document is dated 1 July 2021 and relates to the Australian Government's New Home Guarantee (the **New Home Guarantee** or **the Scheme**).

It has been prepared by the National Housing Finance and Investment Corporation (or NHFIC) for Participating Lenders so that they can provide general information and guidance on the Scheme to first home buyers.

Some terms used in this document have defined meanings. These terms are capitalised and are defined in the 'Glossary' section on page 36.

Distribution of this document

This document may only be distributed within Australia and in relation to Eligible Loans that are offered by Participating Lenders.

If you are receiving this document, it will have been provided to you by a Participating Lender (or by one of their Representatives).

Providing your personal information to NHFIC

You will be asked to provide personal information to NHFIC (directly or via a Participating Lender or its Representatives) if you take steps to participate in the Scheme or submit a Home Buyer Declaration. Please read the privacy statement at section 6.4

'Other Scheme features & important information – Privacy statement'. By requesting a Participating Lender to take any steps to have your home loan covered by the Scheme or by submitting a Home Buyer Declaration to your lender you consent to the matters outlined in that privacy statement.

Providing incorrect or incomplete information

As part of its role in administering and operating the Scheme, NHFIC may verify

the information provided by you (or on your behalf) in submissions for the Scheme and in any Home Buyer Declaration. This is to ensure that you are eligible to participate in the Scheme. You may be checked for former home ownership within Australia and checks for other matters in respect of the eligibility criteria – such as your spouse or de facto partner status (if applicable), council records, property title information and your financial particulars – may also be undertaken.

Not providing the information requested or providing incorrect or incomplete information may impact upon the assessment of your eligibility and ability to participate in the Scheme.

If it is found that you have provided false, incorrect or misleading information under a Home Buyer Declaration and/or generally in connection with the Scheme, criminal and civil penalties may apply. Also, if a guarantee of your home loan is found to have been issued erroneously under the Scheme due to your fraudulent or wilful conduct, that guarantee may be revoked and the lender may also consider it as a failure by you to comply with the terms of your home loan. If you fail to comply with the terms and conditions of your home loan, the lender will have rights against you – these rights may include requiring you to repay some or all of the home loan, requiring you to pay for lenders mortgage insurance, an ability to change or enforce the home loan and/or to take other legal action against you.

1. How the Scheme works

The New Home Guarantee is an Australian Government initiative aimed at assisting eligible first home buyers to build or purchase a New Home. Under the Scheme, part of an eligible first home buyer's home loan from a Participating Lender will be guaranteed by NHFIC (a New Home Guarantee). This is aimed at enabling the first home buyer to own their first home sooner with as little as a 5% deposit.

First home buyers planning to purchase an existing dwelling and undertake substantial renovations (or demolish the existing premises) to build their new home will not qualify under the New Home Guarantee. Contact your lender to discuss whether you are instead eligible for a place under the First Home Loan Deposit Scheme launched on 1 January 2020.

1.1 Is your home loan eligible for the Scheme?

For your home loan to be eligible for the New Home Guarantee, there are a few checks that need to be satisfied. They relate to:

- **your personal circumstances** – referred to as Your Eligibility Checks, which include checks for your income, prior property ownership, citizenship, age, deposit and intention to live in the property you buy – see section 2 '*Are you an eligible first home buyer?*' and the checklists in section 7 '*Checklists – Your Eligibility Checks*'
- **the lender for your home loan** – which must be a Participating Lender – see section 3 '*Is your lender approved for a New Home Guarantee?*'
- **the type of home loan you are applying for** – which must be an Eligible Loan – see section 4 '*Which home loans are eligible for the New Home Guarantee?*', and
- **the property you intend to purchase** – which must be an Eligible Property – see section 5 '*Which properties are eligible for the New Home Guarantee?*' and the checklist in section 8 '*Checklist – Your Eligible Property Checks*'.

If any one of these checks is not satisfied, you will not be able to participate in the Scheme. Your lender will need to be satisfied that these checks are met and will have separate criteria, processes and requirements for any consideration of your home loan application with them.

The New Home Guarantee is open across Australia to all eligible home buyers in respect of Eligible Loans. The number of places under the Scheme is limited and a place may not be available even if your home loan is eligible. See section 1.2 '*Other key features of the Scheme – Scheme place limits*' below for further details.

1.2 Other key features of the Scheme

The Scheme involves the following key features.

When the Scheme commenced

The New Home Guarantee commenced on 7 October 2020.

An additional 10,000 places have been made available for the 2021-22 financial year to enable eligible first home buyers to purchase or build a New Home.

Other relevant dates for Scheme eligibility – such as when contracts are able to be signed and the settlement date for your loan – are described in section 4.2 *‘Which home loans are eligible for the Scheme? – Home loan products – Key dates’*.

Participation in the Scheme

You cannot apply to NHFIC directly to have your home loan participate in the New Home Guarantee. You can only do so as part of your home loan application with a Participating Lender.

The eligibility of your home loan to participate in the New Home Guarantee will be considered by your lender and, if eligible, the lender will notify you that your home loan is able to participate in the New Home Guarantee. They may also take steps to make a Scheme Place Reservation – as described in section 6.1 *‘Other Scheme features & important information – Scheme Place Reservations’*.

Information on how your home loan can be covered by the New Home Guarantee can be obtained through a Participating Lender and their Representatives.

Scheme place limits

Up to 10,000 home loans can be guaranteed under the New Home Guarantee during this financial year (ending 30 June 2022).

Available guarantees may be released by NHFIC to Participating Lenders in lots and a guarantee may not be available at a particular time from a particular Participating Lender if that lender’s allocation has been exhausted.

Issue of guarantees under the Scheme

If your home loan is covered by the New Home Guarantee, NHFIC will issue a guarantee to the Participating Lender who made that loan to you.

The New Home Guarantee is not a cash payment or a deposit for your home loan.

Rather, the New Home Guarantee is a legal arrangement between NHFIC and your lender to pay up to a certain amount that you owe to your lender if you default under the terms of your home loan and your property has been sold (as further described below).

A New Home Guarantee issued under the Scheme is not made to you, and you are not able to take any action in relation to a guarantee of your home loan under the Scheme (if one applies).

What a New Home Guarantee covers

Any New Home Guarantee of your home loan is for payment of up to a maximum amount of 15% of the Value (as assessed by your lender) of the property that you purchase if you default on your home loan and after your property is sold. However, it will be for a lesser amount than 15% of that assessed Value if your deposit is more than 5% of that Value.

The New Home Guarantee can only be claimed by the Participating Lender for amounts owing by you to them under your home loan after:

- you have defaulted on your home loan
- your property has been sold, and
- the sale proceeds (and any other amounts available to the lender) have been applied to pay the amounts you owe to your lender under the terms of your home loan.

Specifically, any New Home Guarantee of your home loan under the Scheme will not apply to:

- help you make any payments on your home loan that you miss during the ordinary course of your home loan
- prevent you from defaulting on your home loan
- stop the lender from taking action against you for any default under your home loan or mortgage (including where they have rights to take possession and sell of the property), or
- cover the payment of any amounts which remain to be owed by you to the lender after (1) sale proceeds and other amounts are applied to pay what you owe on your home loan and after amounts under the New Home Guarantee have been claimed and paid to the Participating Lender, or (2) if they do not make a claim under the New Home Guarantee.

Circumstances where your home loan may cease participating in the Scheme

If your home loan is covered by the Scheme, there are certain events which may cause a New Home Guarantee to stop applying to your home loan. These include where:

- it is found at any time that your home loan was not eligible to participate in the Scheme— including where it is discovered at a later time that Your Eligibility Checks and Eligible Property Checks were not satisfied
- you no longer live in the property unless you are an ADF member and are unable to do so because of your duties
- you have repaid your home loan in full – including where you refinance your home loan with another lender that is not a Participating Lender – see section 6.3 *‘Other Scheme features & important information – Refinancing your Scheme-guaranteed home loan’* for further details, and
- you have repaid your loan down to a principal balance that is 80% or less of the Value of your property – calculated based on your scheduled home loan repayments and amounts held in an offset Account. Any amount that you prepay and can freely redraw are not counted.

There are also additional events that rely upon your agreements with, and the actions of, your Participating Lender. These include where:

- the terms of your home loan (or mortgage) are changed by your lender except for changes to the interest rate, changes made to the terms that your lender offers to all of its owner-occupied home loans, changes for where you are in financial hardship, changes between your lender's standard home loan products and other limited circumstances
- further finance is provided to you by your lender and secured against the same property (known as a 'top up')
- your loan is assigned or transferred by your lender, or
- if your lender notifies NHFIC that the New Home Guarantee may be released.

If your home loan is no longer covered by a New Home Guarantee at an earlier time than your lender expected, you may be subject to additional fees, charges and expenses as set out in the terms of your home loan.

Other government Schemes

If your home loan is covered by the Scheme, you are not restricted under the terms of the Scheme from also accessing other government programs – like the Australian Government's First Home Super Saver Scheme, HomeBuilder Grant or First Home Owner Grant and concessions that may be offered by State and Territory governments.

These other programs apply their own criteria and conditions, and your eligibility or participation under the New Home Guarantee does not mean that you will definitely be eligible and able to participate under another program (and vice versa). You should make your own enquiries on the terms of those other programs.

You should discuss with your Participating Lender whether this Scheme is the most appropriate scheme offered by the Australian Government for you.

1.3 Getting ready – what will I need to provide to my lender?

Your Participating Lender or their Representative will let you know what information and materials you will need to provide for your home loan application and any participation of your home loan under the New Home Guarantee.

However, the following information will need to be submitted by your lender in connection with the initial Scheme Place Reservation process. It is recommended that you collect and have this information available when you first contact your lender (directly or through their Representative):

- ✓ your full name and date of birth
- ✓ your Medicare number (including your position on your card)
- ✓ your Notice of Assessment for your taxable income for the 2020-21 income year – see section 2.1.2 'Are you an eligible first home buyer? – What was your taxable income for the preceding income year? (Income test)', and
- ✓ other details to assist the lender to assess whether you will be eligible to participate in the Scheme – your lender will confirm what these are.

If you do not have a Medicare number, or have not been issued with a Notice of Assessment for your taxable income (because you did not earn taxable income above the tax-free threshold), your lender will confirm what other information will be required to be provided by you in your circumstances.

2. Are you an eligible first home buyer?

2.1 Your Eligibility Checks

First, you should consider whether your personal circumstances satisfy all of the following checks. They relate to your eligibility as a first home buyer who can participate in the New Home Guarantee.

The key checks for your personal circumstances are:

- ✓ an income test – see section 2.1.2
- ✓ a prior property ownership test – see section 2.1.3
- ✓ a citizenship test – see section 2.1.4
- ✓ a minimum age test – see section 2.1.5
- ✓ a deposit requirement – see section 2.1.6, and
- ✓ an owner-occupier requirement – see section 2.1.7.

Some of these checks may be different depending on whether you are applying for a home loan as a single or as part of a couple.

If you do not satisfy any one of these checks – which are described in further detail below and are together referred to as **Your Eligibility Checks** – you should not ask your lender to take any steps to have your home loan participate in the New Home Guarantee. This includes that you should not ask your lender to make a Scheme Place Reservation. If you are unsure of any of these matters, you should ask your lender or seek your own independent financial and legal advice.

Section 7 '*Checklists – Your Eligibility Checks*' includes checklists that are provided to help you to record your answers as you consider the questions for each of Your Eligibility Checks.

2.1.1 Are you purchasing your first home on your own or with another person?

The New Home Guarantee is open to singles or couples.

You will only be able to participate as a single or as part of a couple – it is not possible for a guarantee under the Scheme to apply to more than one home loan arrangement involving you.

Singles

If you are looking to purchase your first home as the only person named as a borrower in your home loan, then you would apply under the Scheme **as a single**.

This means that you need to satisfy each of the checks by reference to your own circumstances. Matters for couples (such as the combined income test) will not apply to you.

Couples

If you are looking to purchase your first home with your spouse or de facto partner, where you are both named as borrowers in your home loan, then you would both apply under the Scheme **as a couple**.

This means that you need to satisfy each of the checks by reference to your combined circumstances and apply together. Matters for singles (such as the individual income test) will not apply to you.

If you are unsure of whether your relationship with another person is as de facto partner (under Australian law), you should ask your lender or seek your own professional advice.

Arrangements with other people that do not qualify

If you are intending to enter into a home loan that:

- has 2 borrowers, but the other person is not also your spouse or de facto partner, or
- has 3 or more borrowers, even if one of the other borrowers is also your spouse or de facto partner,

then that home loan will not be eligible for the Scheme.

For example, a loan arrangement with a relative – such as with a sibling – will not be eligible for the Scheme.

Questions to ask yourself

Q. Will you be applying under the Scheme as a single or as part of a couple?

As a single

If your answer is '**as a single**', then you should pay close attention to the checks that apply for singles and disregard the matters that apply for couples.

As part of a couple

If your answer is '**as part of a couple**', then:

- you will need to be able to provide evidence to your lender that confirms your relationship
- you will need to apply for a home loan together, and
- you should pay close attention to the checks that apply for couples and disregard the matters that apply only for singles.

2.1.2 What was your taxable income for the preceding income year? (*Income test*)

The New Home Guarantee includes an income test. To satisfy this test:

To satisfy this test:

- for **singles** – your taxable income for the previous income year must not be more than \$125,000, or
- for **couples** – your combined taxable income for the previous income year must not be more than \$200,000.

For all Scheme place applications made from 1 July 2021 up to 30 June 2022, the relevant income year will be 2020-21. Income from previous financial years is not able to be considered for the income test.

The income test is assessed by your lender:

- at your Contract Date, and
- using your taxable income (as per the *Income Tax Assessment Act*) from the previous income year, as shown on your Notice of Assessment (issued to you by the Australian Taxation Office).

Each income year starts on 1 July in a calendar year and ends on 30 June in the next calendar year – so if you enter into a home loan agreement with your lender between 1 July 2021 and 30 June 2022, you would need to be able to provide your income tax assessment notice for the 2020-21 financial year.

If you are applying under the Scheme:

- ‘**as a single**’, then you will need to satisfy the income test for singles, or
- ‘**as part of a couple**’, then together you will need to satisfy the combined income test for couples. This will be the only income test you need to satisfy – so you can disregard the income test for singles – and you will need to be able to show your lender copies of a Notice of Assessment for each of you and your spouse or de facto partner.

Questions to ask yourself

Q1. Do you have your Notice of Assessment for the 2020-21 income year (as issued by the Australian Taxation Office)?

No, I don't have it (or I can't find it)

If your answer to the above question is ‘**no**’, you may not be able to satisfy the income test.

You would need to take steps to file for or obtain a copy of your Notice of Assessment for the 2020-21 income year. Doing so does not necessarily qualify you as being able to participate in the Scheme, and any action you decide to take is your own responsibility.

If you did not receive a Notice of Assessment because your taxable income is below the tax-free threshold in the relevant income year, you will need to confirm with your lender what information you would need to provide.

Yes, I do

If your answer is ‘**yes**’ to the above question, you will need to be able to show a copy of your Notice of Assessment to your lender.

The next question for you is below.

Q2. Do you satisfy the income test?

No, I / we don't satisfy the income test

If your answer to the above question is ‘**no**’, your home loan will not be eligible under the Scheme.

Yes, I / we satisfy the income test

If your answer is ‘**yes**’ to the above question, your home loan may be eligible for the Scheme.

2.1.3 Have you ever held an interest in property in Australia? (Prior property ownership test)

It is important that the New Home Guarantee assists genuine first home buyers.

The prior property ownership test for you being an eligible first home buyer for the Scheme is that you have **not ever held**:

- a freehold interest in real property in Australia
- an interest in a lease of land in Australia with a term of 50 years (or more), or
- a company title interest in land in Australia.

These tests apply for property interests in all States and Territories of Australia, regardless of whether the property was residential or commercial property, for investment or owner-occupied purposes and whether or not it was ever lived in.

They also apply to you whether or not any of the interests listed above have been held by you on your own or together with someone else – for example, where you held an interest in property with a former spouse or de facto partner.

What this means is that, if you are applying under the Scheme:

- **‘as a single’**, then only you, individually, will need to satisfy the prior property ownership test, or
- **‘as part of a couple’**, then you will both need to satisfy the prior property ownership test.

Note that if either of you – whether individually or with someone else – have held any of the interests listed in the test, you do not satisfy the prior property ownership test as a couple.

For your home loan to participate in the Scheme, you will need to make a statutory declaration that confirms you have not held any interests of this kind. This declaration is made under the Home Buyer Declaration.

In addition, your lender, NHFIC and others may conduct independent checks on whether or not you have held any such interests in Australia at any time. They may do this at any time – including after you have signed a contract for sale or paid a deposit in relation to a property and after your home loan has been advanced.

If you are unsure of whether or not you have held any of the kinds of interests listed above you should ask a professional adviser, as you will need to be sure that you are not giving a false declaration.

Questions to ask yourself

Q3. Will you satisfy the prior property ownership test at your Contract Date?

You should check this against each of the three types of property interest holdings that could restrict you from being eligible.

For couples, each of you must satisfy the no prior property ownership test.

No, I have held an interest in property

If your answer to the above question is **‘no’**, you will not be able to satisfy the prior property ownership test.

Your home loan – as a single or as part of a couple – will not be eligible to participate under the Scheme.

Yes, I do, because I haven’t ever held an interest in property (and, for couples, neither has my spouse or de facto partner)

If your answer to the above question is **‘yes’**, you will be able to make the necessary declarations and satisfy the prior property ownership test.

2.1.4 Are you an Australian citizen? (Citizenship test)

The New Home Guarantee is only open to Australian citizens.

The citizenship test for the Scheme is that you will need to be an Australian citizen at the Contract Date. If you are applying under the Scheme:

- **‘as a single’**, then only you, individually, will need to satisfy the citizenship test, or
- **‘as part of a couple’**, then you will both need to satisfy the citizenship test.

You **will not satisfy** the citizenship if at the Contract Date:

- you are a permanent resident of Australia or a New Zealand citizen (and not an Australian citizen)
- you are the spouse or de facto partner of an Australian citizen, but are not yourself an Australian citizen
- you were formerly an Australian citizen, but have not resumed your citizenship, or
- you have applied for, are eligible for, or have received notice of a positive decision of Australian citizenship, but have not received your citizenship certificate.

Questions to ask yourself

Q4. Will you be an Australian citizen at your Contract Date?

For couples, each of you must satisfy the Australian citizenship test

No, I will not be

If your answer to the above question is **‘no’**, you will not be able to satisfy the citizenship test.

Your home loan – as a single or as part of a couple – will not be eligible to participate under the Scheme.

Yes, I will be (and, for couples, so will my spouse or de facto partner)

If your answer to the above question is **‘yes’**, you will be able to make the Home Buyer Declaration and satisfy the citizenship test.

2.1.5 Are you 18 years or older? (Minimum age test)

The New Home Guarantee is only open to persons that are 18 years of age or over.

The minimum age test for the Scheme is that you will need to be 18 years of age or over at your Contract Date.

If you are applying under the Scheme:

- **‘as a single’**, then only you, individually, will need to satisfy the minimum age test, or
- **‘as part of a couple’**, then you will both need to satisfy the minimum age test.

Questions to ask yourself

Q5. Will you be 18 years or over at your Contract Date?

For couples, the answer must be **‘yes’** for both of you.

No, I will not be

If your answer to the above question is **‘no’**, you will not be able to satisfy the minimum age test.

Your home loan – as a single or as part of a couple – will not be eligible to participate under the Scheme.

Yes, I will be

If your answer to the above question is **‘yes’**, you will be able to make the necessary declarations and satisfy the minimum age test.

2.1.6 Do you have a deposit of at least 5% of the value of the property (but less than 20%)? *(Deposit requirement)*

There is a minimum and maximum deposit requirement for the New Home Guarantee.

Your Participating Lender will be able to tell you if you satisfy this requirement.

The Scheme is to assist singles and couples who have at least 5% of the Value of an eligible property saved as a deposit. It is a requirement of the Scheme that you use the maximum amount of your savings as possible towards your deposit (subject to the policies of your lender and your financial circumstances). If you have 20% or more saved, then your home loan will not be covered by the Scheme.

As the Scheme is aimed at helping first home buyers who have these features, it is important that you do not try and disadvantage other Australians by seeking to change your circumstances just to take advantage of the Scheme. This includes where you have a 20% or greater deposit and legally transfer your cash and other assets in order only to access the Scheme, or where your 5% deposit has not been genuinely saved by you and is being provided to you only so that you can qualify for the Scheme. You should confirm with your Participating Lender whether any cash grants under other Australian Government, State or Territory schemes or programmes you may receive can be considered as part of genuine savings by that Participating Lender.

Participating Lenders must comply with responsible lending practices – if you have any questions about these requirements in the context of the Scheme please discuss these with your Participating Lender directly.

Questions to ask yourself

Q6. Do you have a deposit of between 5% and 20% of the value of the property you would like to purchase?

For couples, your answer should refer to your combined circumstances.

No, I won't – I'll have less than the 5% minimum or more than the 20% maximum

If your answer to the above question is 'no', you will not be able to satisfy the deposit requirement. Your home loan – as a single or as part of a couple – will not be eligible to participate under the Scheme.

Yes, I do or will (and, for couples, this is together with my spouse or de facto partner)

If your answer to the above question is 'yes', you will be able to make the necessary declarations and satisfy the deposit requirement.

2.1.7 Will you live in the property you build or purchase as an owner-occupier? *(Owner-occupier requirement)*

The New Home Guarantee will assist Australians to build or purchase a New Home provided it is their first home. Investment properties are not supported by the Scheme.

Under your Home Buyer Declaration, you will need to declare that you intend to:

- start living in the Eligible Property you purchase within 6 months from either the date of purchase or, for new builds, the date an occupancy certificate is issued, and
- continue to live in that property for as long as your home loan has a guarantee under the Scheme unless you are an ADF member and the ADF owner-occupier exemption applies (see below).

An exemption from the owner-occupier requirement applies where you are an ADF member and are unable to satisfy this requirement because of a posting required in the course of your duties as an ADF member provided, at the date of your loan agreement, you intended to live in the property (**ADF owner-occupier exemption**). The ADF owner-occupier exemption does not extend to persons who are not a borrower under your loan. If you apply as a single under the Scheme but have a spouse or de facto, you will not be able to claim the ADF owner-occupier exemption if your spouse or de facto is an ADF member and you are unable to reside at the Eligible Property because of a posting arising in the course of their duties as an ADF member.

If you are applying under the Scheme:

- **‘as a single’**, then only you, individually, will need to satisfy the owner-occupier requirement unless the ADF owner-occupier exemption applies to you, or
- **‘as part of a couple’**, then you will both need to satisfy the owner-occupier requirement unless the ADF owner-occupier exemption applies to either one or both of you.

If you don't live in your property – including where you move out of the property at a later time – your home loan may cease to be guaranteed by the Scheme.

In these circumstances there may be terms of your home loan that require you to take certain actions – including that you may need to pay fees and charges and/or take out lenders mortgage insurance that would not have otherwise applied if your home loan was eligible under the Scheme.

Questions to ask yourself

Q7. Do you intend to reside in the property you build or purchase as an owner-occupier while your home loan is guaranteed under the Scheme?

No, I don't (or I don't think I will)

If your answer to the above question is **‘no’**, you will not be able to satisfy the owner-occupier requirement unless the ADF owner-occupier exemption applies to you.

Your home loan – as a single or as part of a couple – will not be eligible to participate under the Scheme unless the ADF owner-occupier exemption applies to you.

Yes, I do intend to live in the property as an owner-occupier

If your answer to the above question is **‘yes’**, you will be able to make the Home Buyer Declaration and satisfy the owner-occupier requirement.

For couples, the answer must be **‘yes’** for both of you unless the ADF owner-occupier exemption applies to either one or both of you.

2.1.8 Are there any matters that could disqualify you from being an eligible first home buyer?

This is a final check to make sure that you don't provide any incorrect, untrue or misleading information nor make any false declarations in relation to your personal circumstances. It is not an additional criteria, and is included only to make sure you have considered all possible matters and are aware of the possible consequences for providing untrue, incorrect, misleading or false information or materials.

You should consider all of the above checks carefully. If you are unsure of any matter relating to your circumstances, or (for couples) those of your spouse or de facto partner, you should speak to your lender and/or ask your professional adviser(s).

If your Participating Lender takes any action for your home loan to be covered by the Scheme – including making Scheme Place Reservations or seeking to have a guarantee apply for your home loan – you will need to provide information to them and make a statutory declaration.

This information and declarations you make may be investigated at future times. You need to be certain that you are giving true and correct information and make a true statutory declaration.

If your information and/or statutory declaration are found to be untrue, incorrect, misleading or false – including at a later time after you have paid a deposit or the full purchase price on your property – there may be significant consequences.

These may include that:

- legal action is taken against you – including for criminal penalties and civil actions
- your home loan is not covered by the Scheme, and/or
- there are terms of your home loan that require you to take certain actions – including you may need to pay fees and charges and/or take out lenders mortgage insurance that would not have otherwise applied if your home loan was covered by the Scheme.

You should understand the terms of your home loan carefully so that you know what would happen under your home loan if this were to happen.

Questions to ask yourself

Q8. Are you sure there are no matters in your personal circumstances that could mean you aren't eligible for the Scheme?

No, I'm not sure

If your answer to the above question is '**no**', you could risk significant consequences if you give incorrect, untrue or misleading information or make a false statutory declaration.

You should speak to your lender and/or ask your independent financial and/or legal adviser(s).

Yes, I am sure

If your answer to the above question is '**yes**', you will be able to make the Home Buyer Declaration and satisfy the home buyer test.

You should note that all information and declarations provided by you are able to be investigated at any time.

3. Is your lender approved for the Scheme?

3.1 Participating Lenders

The New Home Guarantee is only open to Eligible Loans that are made by Participating Lenders. For a lender to be a Participating Lender under the Scheme, they must have been approved by NHFIC.

A listing of these lenders is on the Scheme Webpage at www.nhfc.gov.au

Even if you are told that a particular institution is a Participating Lender, you should check that they are listed on the Scheme Webpage at www.nhfc.gov.au.

Participating Lenders may offer Eligible Loans themselves or via Representatives. If you are unsure whether any institution or person is a Representative of a Participating Lender, you should contact the lender directly to ask.

3.2 Your home loan application and your relationship with your lender

You are able to apply for finance for your home loan from more than one Participating Lender. The terms of your home loan will be agreed between you and your lender.

NHFIC will not be involved in any home loan application procedures, assessments or approvals nor the administration or management of your home loan (including in circumstances of default and enforcement).

See section 4 '*Which home loans are eligible for the Scheme?*' for further details on which home loans qualify as Eligible Loans.

3.3 What if I have a complaint about my lender?

Complaints about your lender should be made to your lender and/or any relevant complaints authority.

If you are not sure who the relevant complaints authority is, contact the Australian Financial Complaints Authority at www.afca.org.au.

4. Which home loans are eligible for the Scheme?

4.1 Eligible Loans

Not all home loans are eligible for the New Home Guarantee.

The New Home Guarantee is restricted to '*Eligible Loans*', which are home loans:

- made by Participating Lenders to singles or couples who are eligible first home buyers, and
- that are for the purchase of or to build an Eligible Property that is to be occupied by you as the owner – see section 5 '*Which properties are eligible for the Scheme?*' for further information.

There are additional requirements that apply in relation to these home loans that rely upon the terms that you agree with your Participating Lender. These include that your home loan will need to be for a term of 30 years or less, have regular repayments of principal (with limited exceptions for interest-only loans, which mainly relate to building loans), include a mortgage over your purchased property, be in Australian dollars, have appropriate lending limits to recognise the Scheme's deposit requirements, settle after your lender commences as a Participating Lender under the Scheme and comply with relevant laws and your lender's own policies. Your Participating Lender will need to ensure that the terms of your home loan arrangement comply with these matters.

4.2 Home loan products

The New Home Guarantee permits certain categories of home loan products to be offered to take the benefit of a New Home Guarantee. These general categories relate to home loans for:

- the purchase of a New Home which is a newly constructed dwelling
- the purchase of land and the building of a New Home under:
 - a house and land package
 - a land and separate contract to build a home, and
- an 'off-the-plan' purchase.

If you are intending to buy vacant land and build a New Home on that land, you will need to enter into a contract of sale to buy the vacant land **AND** a building contract to build a New Home on the land by no later than the expiry of your pre-approval period (see Section 6. 'Other Scheme features and important information – Getting finance pre-approval.')

If you already own vacant land and intend to take a new home loan to build a New Home on that land, your home loan is not eligible for the Scheme. This is because you do not satisfy the prior property ownership test.

You will need to contact your lender to clarify whether your home loan is eligible under the Scheme. The conditions under the Scheme for home loan product categories that may be Eligible Loans are as follows.

Key dates

To be eligible for the New Home Guarantee:

- the contract of sale and, if you are building a New Home, the eligible building contract may have particular dates when they can be signed by you; and
- may have particular dates when the building of your New Home must start and finish, (all as described further below).

There are no exceptions from these required dates.

Purchase of a New Home that is a newly constructed dwelling

If you are purchasing a New Home that is a newly constructed dwelling:

- you must enter into a contract of sale for the purchase of the New Home by no later than the expiry of your pre-approval period;
- the New Home must have been completed on or after 1 January 2020;
- the New Home must be capable of being legally occupied as a place of residence on the date your home loan settles; and
- you must move into the property within 6 months of the settlement of your home loan.

This category does not include 'off-the-plan' purchases, which are described further below.

Building a New Home under a House and land package

A house and land package is where you build a New Home by entering into a contract of sale to purchase land from the same person (or persons within the same corporate group) as the person who you enter into a contract with to build your New Home.

For a house and land package, prior to the expiry of your pre-approval period, you will need to have entered into:

- a contract of sale for the land; and
- an eligible building contract dated on or after 7 October 2020 to build your New Home on that land.

These can either be in the same contract or two separate contracts. Your home loan will also include a requirement for you to:

- start building your New Home within 12 months of contract of sale; and
- finish building your New Home within 24 months, of the date of your eligible building contract.

You will also need to move into the property within 6 months of an occupancy certificate being issued.

Building a New Home under a Land and separate contract to build a home

A land and separate contract to build a home is where you build a New Home by entering into a contract of sale to acquire land from a person who is different to the person you enter into a contract with to build your New Home.

For a land and separate contract to build a home, prior to the expiry of your pre-approval period, you will need to have entered into:

- a contract of sale to acquire the land under a contract of sale or, (in the Australian Capital Territory) a lease instrument; and
- an eligible building contract dated on or after 7 October 2020 to build your New Home on that land.

Your home loan will also include a requirement for you to:

- start building your New Home within 12 months; and
- finish building your New Home within 24 months, of the date of your eligible building contract.

You will also need to move into the property within 6 months of an occupancy certificate being issued.

'Off-the-plan' purchase of a New Home

An 'off the plan' purchase is where you enter into a contract of sale for the purchase of a New Home where at that time of entering into the contract of sale:

- title to the New Home has not yet been issued, or
- if title to the New Home has been issued, it cannot yet be legally occupied because, for example, it has not yet been finished.

If you are making an 'off-the-plan' purchase of a New Home:

- you must have signed the contract of sale prior to the expiry of your pre-approval period;
- your contract of sale must be dated on or after 7 October 2020; and
- if at the time of entering into the contract of sale, building of your New Home:
 - has not started, then it must:
 - start within 12 months of the date of your contract of sale; and
 - be finished within 24 months of starting,
 - has started, then it must be finished within 24 months of your contract of sale.

You will also need to move into the property within 6 months of the settlement date for your home loan.

Seek professional advice before purchasing your New Home off-the-plan.

There are certain risks you should be aware of before purchasing your New Home off-the-plan. These include:

- the value of the property you purchased may be significantly different at the time you enter into a contract of sale to purchase the property than at the time you are required to settle on your purchase;
- the difference in value may result in you no longer being able to obtain an Eligible Loan (or being able to obtain the amount you need to settle on your purchase); and
- there are strict timeframes within which building must start and finish (as described above) in order to be eligible under the Scheme, but whether building does in fact start and finish within the timeframes required are largely outside of your control.

In addition, your personal circumstances may change from the time you enter into a contract of sale to when you are required to settle and this may impact your ability to obtain an Eligible Loan (or borrow the amount that you need to settle).

If any of the risks that are inherent with an off-the-plan purchase do arise and result in either you no longer being able to obtain an Eligible Loan (or obtain the amount you need to settle your purchase) or your property no longer being an Eligible Property under the Scheme (including, because of events which are outside your control), you could be significantly worse off than you had expected when you entered into the contract to purchase the off-the-plan property.

Prior to purchasing your New Home off-the-plan, you should seek your own independent financial and legal advice to fully understand the risks and to determine whether purchasing a property off-the-plan would suit your particular circumstances.

Eligible building contracts

For a building contract to be eligible under the New Home Guarantee, it must:

- be with a licensed or registered builder; and
- specify a fixed price for the construction of the dwelling.

‘Owner builder’ contracts **are not** eligible building contracts for the Scheme.

Participating Lenders may, or may not, offer these types of home loan products. Even if they do offer these products, the terms of the home loan may be more limited than described above. You should contact your lender and/or ask your professional adviser(s) about the home loan products that are offered and whether they suit the purchase you are intending to make.

5. Which properties are eligible for the Scheme?

5.1 Eligible Properties

Not all properties are eligible for the Scheme.

The key eligibility checks for any property that you want to purchase are that:

- it is for the purchase or build of a 'New Home' – under the Scheme this term has a certain meaning, and you should ask your lender and/or seek your own independent legal advice if there is any doubt whether the property you intend to purchase or build will be an Eligible Property under the Scheme
- the purchase price, or if you are building, the purchase price and building costs, of the property is under the price cap for its location – see section 5.2 'Property price caps'
- the property is (1) the purchase of a New Home that is a newly constructed dwelling, or (2) the building of a New Home under a house and land package or (3) the building of a New Home under a land and separate contract to build a home, or (4) the purchase of a New Home 'off-the-plan', that is financed under an Eligible Loan – see section 4 'Which home loans are eligible for the Scheme?' for further details, and
- at the settlement date for your home loan, the borrower(s) will be the sole registered owner of the property.

5.2 Property price caps

The price caps are summarised in the tables below. Your lender will be able to confirm which price cap is applicable to your property by its street address and suburb. If the purchase price, or, if you are building, the purchase price and building costs, for your property is more than the price cap for its location (as listed below), the property will not be eligible for the New Home Guarantee.

A postcode look-up tool is available on the Scheme webpage at www.nhfg.gov.au for general information. You are able to use this tool to get an idea of whether a property is in a particular price cap area. However, you should not rely upon the information provided by the tool and must confirm the price cap for any property you are thinking about purchasing with your lender.

6. Other Scheme features & important information

6.1 Scheme Place Reservations

Depending upon your circumstances, your Participating Lender may be able to reserve a place under the New Home Guarantee in conjunction with you making your home loan application. Requests for Scheme Place Reservations can only be made by Participating Lenders.

A Scheme Place Reservation does not guarantee that your home loan will participate in the New Home Guarantee. There are other checks and timing requirements that apply before your home loan is able to be guaranteed under the Scheme.

If your Participating Lender elects to reserve a place under the Scheme in conjunction with you making your home loan application, the following steps apply.

If you have an existing place reserved under FHLDS or the Family Home Guarantee (FHG), you cannot reserve a place under the New Home Guarantee unless you have confirmed to your Participating Lender that you no longer require your existing FHLDS or FHG reservation, and your Participating Lender has withdrawn your existing FHLDS or FHG reservation.

At any one time, you can only have a reservation under FHLDS, FHG or the New Home Guarantee, but not multiple reservations.

If you ask your Participating Lender to withdraw your existing place reserved under FHLDS or the FHG and a place under the New Home Guarantee is not available, you may not be able to obtain a new reservation under FHLDS or the FHG if at the time no places under FHLDS or the FHG are available (and vice versa).

Your initial home loan application

Your Participating Lender will be able to make a Scheme Place Reservation for up to **14 days** while your lender assesses your finance application.

This reservation:

- is made by a Participating Lender at the same time as your home loan application is made or is being assessed, and you will need to provide them with some personal information to get this to happen – see section 1.3 ‘Getting ready – what will I need to provide to my lender?’
- is for a set period (usually, 14 days but your lender will advise you if the period is different) from when it is first made by any Participating Lender – you can make home loan applications to more than one Participating Lender in this period, but the 14-day reservation is counted from the day when the first lender makes the reservation – see Scenario 1 below for an illustration of how this works
- will be able to be extended by your lender if finance pre-approval is given for your home loan – see ‘Getting finance pre-approval’ below, and
- will expire if (1) you are not pre-approved for finance from a Participating Lender during this period, or (2) if you are pre-approved for finance and your lender does not let NHFIC know to extend the reservation by the end of the 14-day period.

If a Scheme Place Reservation is made for you as a single, then you will not be able to make a separate Scheme Place Reservation as part of a couple (and vice versa).

Scenario 1 – initial reservation

Callum makes a home loan enquiry with Lender A on 2 November 2020, and Lender A makes an initial Scheme Place Reservation on that date. The reservation period for Callum and his home loan is open for 14 days and will expire at 11.59 pm (Sydney time) on 16 November 2020. This will be the expiry time for all Scheme Place Reservations that are submitted for Callum’s home loan applications by Participating Lenders in that reservation period.

Callum also makes another home loan application with Lender B on 5 November 2020 and Lender B makes another initial Scheme Place Reservation on that date. The reservation period for Callum and his home loan is already open and so Lender B has 10 days to take necessary actions before the period expires.

For the reservation to be extended (see ‘Getting finance pre-approval’ below), Lender A or Lender B will need to provide finance pre-approval to Callum and take the necessary action to extend the reservation before the expiry time of 11.59 pm (Sydney time) on 16 November 2020.

Getting finance pre-approval

If your lender has given you a finance pre-approval, your Scheme Place Reservation can be extended for a further **90 days** (starting on the first date that it is extended by a Participating Lender) – (**pre-approval period**) – see Scenario 2 below for a further illustration of how this works.

This 90-day period is to allow you to find and sign a contract of sale for an Eligible Property that you want to purchase and, if you are building, enter into an Eligible Building Contract.

If during this 90-day reservation period:

- you are unable to find an Eligible Property that you want to buy and, if you are building, unable to enter into an Eligible Building Contract, or
- your lender withdraws your finance pre-approval or believes that you are not likely to enter into a home loan for an Eligible Property, the Scheme Place Reservation for your home loan will expire.

Neither your Participating Lender nor NHFIC has the discretion or ability to provide you with an extension if you are unable to enter into a contract of sale and, if you are building, an eligible building contract prior to the expiry of your pre-approval period in order to give you more time to find an eligible property and, if you are building, enter into an Eligible Building Contract.

Scenario 2 – pre-approval reservation

In considering Callum's home loan application, Lender A provides him with a finance pre-approval on 14 November 2020 and takes the necessary steps to extend the Scheme Place Reservation for his home loan on that date. The Scheme Place Reservation is then extended by 90 days from the day that Lender A takes those steps. This extension will apply for both Lender A and Lender B, to now expire at 11.59 pm on 12 February 2021.

Lender B does not provide Callum with pre-approval before the expiry time for the initial reservation but because Lender A has extended the Scheme Place Reservation, Lender B will have until 11.59 pm on 12 February 2020 to provide Callum with finance pre-approval.

Signing your contract for sale and, if you are building, an Eligible Building Contract

Once you have signed a contract for sale to purchase an Eligible Property and, if you are building, an Eligible Building Contract, your Scheme Place Reservation can be extended for an additional 30 days. This does not apply to 'Off-the-Plan' purchases. For an 'Off-the-Plan' purchase see below.

This additional period is to enable you and your lender to finalise the paperwork and checks for your home loan. Your lender may ask you to provide information and materials in a shorter period than the 30 days.

If you are building you cannot use this additional 30 days to finalise and enter into an Eligible Building Contract.

To ensure that this extension applies, you will need to tell your lender immediately once you have signed your contract for sale and, if you are building, entered into an Eligible Building Contract (and provide copies to your lender) so that your lender can notify NHFIC.

If you are unable to finalise your loan within this period, the Scheme Place Reservation for your home loan will expire.

'Off-the-Plan' purchase – maintaining your reservation

Once you have signed a contract for sale to purchase an Eligible Property that is an 'Off-the-Plan' purchase, your Scheme Place Reservation can be extended for an additional 25 months if building has commenced, or if building has not commenced, 31 months, from the date of your contract of sale.

This additional period is to enable building of your property to finish, and for you and your lender to finalise the paperwork and checks for your home loan.

To ensure that this extension applies, you will need to tell your lender immediately once you have signed your contract for sale so that your lender can notify NHFIC. Upon obtaining an extension, your Participating Lender will then be able to provide you with the Scheme place identification number and the date your reservation will expire.

If at the time you signed a contract for sale building has not commenced, your Participating Lender will require you to provide evidence that building has in fact commenced within 6 months of the date of your contract of sale in order for you to continue to maintain your reservation under the Scheme until the earlier of (1) the full 25 or 37 month period, and (2) settlement of your property.

YOU COULD LOSE YOUR RESERVATION if your Scheme Place has been granted after 1 July 2021, and you do not provide your Participating Lender with evidence building commenced within 12 months of the date of your contract of sale when asked by your Participating Lender, your Participating Lender will be required to withdraw your Scheme Place where it has no reasonable expectation that your purchase will proceed to settlement, including where the requirements for off-the-Plan purchases contained in see section 4 '*Which home loans are eligible for the Scheme?*' have not, or can no longer be, complied with.

What happens if a reservation expires

If any reservation period expires without being extended, the Scheme Place Reservation for your home loan will lapse and your Participating Lender would need to make a new reservation under the Scheme.

With the number of places under the Scheme being limited, it is likely that there may not be a place under the Scheme that is available to be reserved or taken up at that later time and you may need to wait until a place becomes available again to apply for a new place.

In all circumstances, the decision to enter into a home loan arrangement with a Participating Lender, and the choice of property to purchase, is your own responsibility. Even though the availability of the Scheme for home loans is limited – by number of places and the time periods for the reservation process – you should seek your own independent financial and legal advice as to whether a particular home loan or property, and the terms of the Scheme, suit your personal circumstances and objectives.

6.2 Home Buyer Declaration

A Home Buyer Declaration is provided to you by a Participating Lender for the purposes of them applying to NHFIC for your home loan to be covered by the New Home Guarantee. You must sign and submit your Home Buyer Declaration to your lender in accordance with their instructions.

NHFIC will not take any action or steps in relation to a Home Buyer Declaration that is delivered to it by any person (including you) or institution that is not a Participating Lender (or a Representative or agent of it).

It is recommended that you provide the completed and signed declaration to your lender as soon as possible. A copy of this declaration will also be provided by your lender to NHFIC, who will retain the copy as a record.

You should be aware that this form is separate to (1) your application for a home loan from your lender, and (2) any forms that you are required to submit in relation to any other first home buyer schemes or programs.

Before completing a Home Buyer Declaration, you should carefully read all sections and information contained in the form and ask your lender and/or your professional adviser(s) if anything is unclear.

You must ensure that all information contained in your Home Buyer Declaration is complete and correct. If you are unsure about any of your obligations or information that is required as part of any application for your home loan to be covered by the Scheme, it is important that you contact your lender for clarification.

You must notify your lender if you believe that you cease at any time to meet the eligibility requirements of the Scheme or if there is any change to the information provided in the Home Buyer Declaration after you have signed and submitted it.

Penalties may apply for a false Home Buyer declaration.

6.3 Refinancing your Scheme-guaranteed home loan

If you have a home loan that is already participating under the New Home Guarantee, you may be able to refinance your home loan with another Participating Lender and continue to have the benefit of the Scheme.

Any such refinancing is subject to conditions, and you should contact a Participating Lender for further details if you are considering refinancing your existing Scheme-guaranteed home loan.

It is not possible for your home loan to continue to have the benefit of a New Home Guarantee if it is refinanced with another lender that is not a Participating Lender.

6.4 Privacy statement

Your personal information may be used by your lender, NHFIC and/or the Australian Government for the administration and operation of the Scheme and assessing your eligibility under the Scheme.

By requesting a Participating Lender to take any steps to have your home loan covered by the Scheme or by completing and submitting a Home Buyer Declaration, you consent to your lender, NHFIC and/or the Australian Government collecting, using and disclosing your personal information for the abovementioned purposes and any other incidental or related purpose.

Your lender, NHFIC and/or the Australian Government may disclose your personal information to any party engaged in the assessment or evaluation of the Scheme.

Your lender, NHFIC and/or the Australian Government will store personal information collected through your home loan application process (including information to assess your eligibility under the Scheme), supporting documents, the loan agreement and any monitoring, research and evaluation activities in compliance with their respective obligations under the Privacy Act and any other privacy legislation applicable in their jurisdiction.

Your personal information will not be disclosed overseas. You may access or correct your personal information at any time by contacting your lender.

Further information about your lender's privacy policy and NHFIC's privacy policy, including rights of access and complaints handling, may be accessed at your lender's website or www.nhfc.gov.au (as applicable).
